

# PRO-FAB'S 2009 Economic Stimulus Package

Start saving today with Pro-Fab's line of award winning outdoor wood burning furnaces!

## 4 WAYS TO SAVE!

**1** SAVE \$500.00 instantly off your furnace purchase price

**2** SAVE up to an additional \$1,500.00 on our EPA approved clean burning gasification furnaces

**3** SAVE on fuel costs by heating with wood

**4** SAVE time with our easy to operate furnaces

Customers will receive an instant cash savings of \$500.00 at the time of purchase on all Empyre and Cozeburn furnaces, and may be eligible to save up to an additional \$1,500.00 on the Pro Series EPA White Tag Approved Empyre Pro Series models through the IRS tax credit program.

#### Program Period

All furnaces purchased before October 31, 2009 will be applicable for this immediate discount of savings.
